Dear Sir/Madam:

Your Jefferson County Sheriff's Office has initiated the process to develop a strategic plan which will serve to assess and improve our services. We believe that you can provide valuable information to assist us.

We are requesting that you meet with /or answer the questions provided by our strategic planning team and return them to us. The information you provide us will be considered along with the input received from other valuable members of our community. That framework of information will be used by our Sheriff's Office in making decisions as to the best strategies to provide efficient and effective public safety services for the next several years.

Please consider participating in this extremely important planning process that will benefit our entire community. We will be contacting you with the questions that we would like to discuss with you whether in person or by mail in answers.
